Denny's Warranty Description

Denny's Auto Service base warranty: Denny's Auto warrants to the original retail purchaser our labor and purchased invoiced parts for 12 months, 12,000 miles which ever comes first. All warranty repairs must be authorized and/or performed by Denny's Auto Service BEFORE being completed.

Denny's Auto Service Additional Parts Warranty: Denny's Auto Service will provide additional parts warranty on certain parts that have a lifetime warranty or a warranty period longer than our base warranty. If the part fails that we previously installed and it is still covered by its manufacture then we will provide the part to the original purchasing customer at no charge while completing the needed labor repair at our regular retail price.

Denny's Auto Service Nation Wide Warranty: We subscribe and belong to five different affiliations to provide you with on the road peace of mind. If you breakdown and are further than 25 miles away from Denny's Auto Service we can help you locate a shop that can provide our 12 mo/12K mile parts and labor warranty at little or no cost to you. Call us for assistance and details BEFORE the repair is done. (Napa Auto Care, Parts Plus Car Care Center, BG On The Road, Automotive Service Association, and ACDelco Consumer Assurance Program).

Denny's Auto Service Lifetime Protection Program Warranty: This warranty is available to customers who are on the BG maintenance program. This lifetime warranty is provided by BG. If the customer has a failure of a covered component the BG warranty administrator will be contacted to determine the dollar amount towards the repair will be paid by BG. This extended lifetime warranty coverage is nation wide and fully detailed, with its, conditions in the BG protection plan warranty document. This coverage also in many cases comes with free towing/road side assistance up to \$75 per occurrence (this is detailed on your towing card).
